Chromatogram Muhuhu Oil-BIOAROMA

### Comments:

The analysis of this Muhuhu batch sample meets the expected chemical profile for authentic essential oil of *Brachyleana hutchinsii*. No contamination or adulteration was detected. The results provided in this GCMS quality analysis reflect the chemical composition of the oil and lot referenced above on the date of analysis.

**Chromatogram Niaouli Oil (ECO)-BIOAROMA**

### Comments:

The analysis of this Niaouli batch sample meets the expected chemical profile for authentic essential oil of *Melaleuca quinquenervia*. No contamination or adulteration was detected. The results provided in this GCMS quality analysis reflect the chemical composition of the oil and lot referenced above on the date of analysis.
